Description

The wines of Chassagne-Montrachet offer great value and timeless image. These wines command lower prices compared with those from the neighbouring appellations of Meursault and Puligny-Montrachet, and represent good value for money. The wines are bold and reminiscent of exotic fruits and Morgeot, which lies mid-slope with a south-easterly exposure, is a perfect example of this style. Morgeot lies on the border between the Côte d'Or and Saone-et-Loire regions, which was a boundary in the Gallo-Roman period. At this time this plot of land was called Morga from the Latin margo which means edge border from which today's name Morgeot is derived.

Wine tasting

- TASTING NOTE A wine with fine wood character to it bringing forth new oak notes, smoky hints fresh nut aromas including almond and walnut skins. We also get sweeter, dried fruit aromas including quince, figs, and dried raisins. A definitely rich, generous wine that one should wait 5 to 7 years before enjoying. Tasted January 2007
- CELLARING POTENTIAL 5-7 years
- FOOD PAIRING Shellfish - fish - foie gras - goats cheese
- SERVING TEMPERATURE 12-14°
