### *Description*

The Chassagne-Montrachet 1er Cru "Morgeot" parcel of vines lies mid-slope with a south-easterly exposure. "Morgeot" is in fact a hamlet of Chassagne-Montrachet. The vines have been in place since the Maizières Abbey decided to clear the land and replant the Morgeot soils in the 15th Century. Only a quarter of the appellation's premier crus are planted with Pinot Noir. The red wines of Morgeot are balanced and sometimes a little bit firm when still young but to the savvy amateur with patience, they can offer generous aromas of small red fruits and fine tannins, together creating a beautiful harmony.
