Description

This exciting new addition to the Louis Latour portfolio promises to become a classic. It is essentially a "Super Mâcon", with the fruit coming exclusively from the famous village of Chardonnay in the Mâconnais region. Chardonnay vines and the Chardonnay soil conspire to create the most harmonious of white wines. Chardonnay, the first village to have planted the Chardonnay grape, continues to this day to produce world-class white Burgundy worth of its name. This unique offering embodies a sense of origin and place.
