Vinification & Ageing

- FERMENTATION Traditional in oak barrels with complete malolactic fermentation
- AGEING 8 to 10 months ageing in oak barrels, 50% new
- BARRELS Louis Latour cooperage, French oak, medium toasted

Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. Surprisingly enough for an appellation of this quality, no Grand Cru exists, however the high quality of the 1er Cru more than compensates for this. The vineyard of Meursault "Charmes" is located just to the south of the village and is recognised to be one of the finest plots producing the Meursault appellation. The well-drained mineral soil is ideally-suited to the type of Chardonnay grown here and the resultant wine is opulent and perfumed with very ripe peach, apple, and nut flavours. A wonderful finish.

Wine tasting

- TASTING NOTE A clean, clear light golden wine this Meursault premier cru has a pronounced bouquet of citrus fruits married together with nutty and oaky notes. On tasting it is a powerful and rounded wine demonstrating good acidity with vanilla and woody flavours. Ready to drink now, nevertheless this wine has great potential for those restrained enough to cellar it. Tasted 26/01/05.
- CELLARING POTENTIAL 5-7 years
- FOOD PAIRING Vol-au-Vent - rump of veal - freshwater pike - morels - cheese.
- SERVING TEMPERATURE 12-14°
