- FERMENTATION Traditional in oak barrels with complete malolactic fermentation
- AGEING 8 to 10 months ageing in oak barrels, 50% new
- BARRELS Louis Latour cooperage, French oak, medium toasted

Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. The perfect south-easterly exposure and the rocky, stony soils contribute greatly to the remarkable finesse of which the wines of Meursault are capable. 'Genevrières' comes from 'genévrier' (juniper), a shrub with prickly needles and purple berries which enjoys the limestone soils of Burgundy. Many junipers were replaced by vines, hence the name of the juniper forms part of the name of many parcels of vines. The Meursault 1er Cru "Genevrières" is a great example of a fine Burgundy Chardonnay.

Wine tasting

- TASTING NOTE Our Meursault Premier Cru « Genevrières » 2013 has a pale yellow color. There is an intense nose with brioche bread, candied lemon and roasted almond notes. The mouth is elegant and long. Lemon aromas are still present on the palate and match well with hazelnuts.
- CELLARING POTENTIAL 7-10 years
- FOOD PAIRING Chicken in cream sauce - skate in brown butter - white truffle risotto - Epoisses cheese.
- SERVING TEMPERATURE 12-14°
