Description

Vosne-Romanée, famous the world over for its Grand Crus, also produces some Premier Crus capable of competing with the best. The iron-based soil just north of Nuits-Saint-Georges is absolutely ideal for the growing of Pinot Noir. The grapes reach their maximum maturity and it is by means of a traditional vinification that the lively perfumes and great fruity characters are released. This wine needs bottle ageing to fully realise its potential. The descriptive adjective in "Les Beaumonts" is "beau", which emphasises the quality of the wine that this particular vineyard on the hill produces.

Wine tasting

- TASTING NOTE With a deep ruby-red colour this wine exhales a powerful bouquet. There is a mix of cassis and oak with hints of liquorice. Long and fleshy in the mouth this Vosne-Romanée has impressive structure which will just get better with time.
- CELLARING POTENTIAL 7-10 years
- FOOD PAIRING Beef "Mironton" - rabbit with chanterelles - venison with cranberries - mature cheeses.
- SERVING TEMPERATURE 15-17°
