GRANDS ÉCHEZEUX  
GRAND CRU

"delicious, round and muscular big-bodied flavors where the dense supporting tannins shaping the powerful finish are clearly phenolically mature. This is a relatively big wine that also needs more depth but there should be plenty of time for it to develop as this should develop slowly." 2034+

CLOS VOUGEOT  
GRAND CRU

"A hint of herbal tea is present on the ripe aromas of plum, dark currant and warm earth. The supple yet reasonably precise middle weight plus flavors possess average volume yet good power on the youthfully austere finale. This creassing effort should be approachable after only 6 to 8 years of bottle aging." 2034+

VOSNE-ROMANÉE  
1<sup>ER</sup> CRU « Les Suchots »

"This is similar to the Petits Monts if perhaps just a touch riper. There is fine verve to the slightly bigger if less mineral-inflected flavors that flash very good power on the equally firm and persistent finish. This is pretty much a classic Suchots and very Vosne in style." 2031+

ÉCHEZEUX  
GRAND CRU

"aromas of wood and menthol set off ripe aromas of poached plum, violet, kirsch and plenty of spice elements. The sleek, intense and delicious medium-bodied flavors possess good if not special mid-palate concentration while delivering fine length on the somewhat raspy finish." 2031+

ROMANÉE-SAINT-  
VIVANT GRAND CRU  
« Les Quatre Journaux »

"Moderate wood and menthol influences stop short of fighting with the much spicier and more expressive aromas of plum liqueur, violet and exotic jasmine tea. There is very good volume and reasonably good detail to the nicely textured and lingering finale where the only nit is enough warmth to mention." 2034+

POMMARD  
1<sup>ER</sup> CRU « Epenots »

"A mentholated top note is present on the ripe aromas of earth-inflected poached plum and dark cherry. There is fine volume to the delicious flavors that possess better density as well as a seductive texture that carries over to the lingering finish that progressively tightens up as it sits on the palate. Lovely and worth checking out." 2029+

## MOREY-ST-DENIS

"The palate impression of the medium-bodied flavors is both delicious and relatively refined while displaying better depth and persistence on the balanced finale. While there is a trace of youthful austerity, this should be approachable early on if that's your preference." 2026+

## CHAMBOLLE-MUSIGNY

"The delicious and nicely refined middle weight flavors possess an attractive vibrancy before concluding in a mildly austere bitter cherry pit-inflected finale that is sufficiently firm to suggest an aging curve of up to a decade." 2027+

VOSNE-ROMANÉE  
1<sup>ER</sup> CRU « Les Petits Monts »

"Subtle wood surrounds the much spicier aromas of cassis, black cherry, sandalwood and exotic tea. There delicious and solidly punchy medium-bodied flavors possess good mid-palate density that imparts a caressing texture, all wrapped in a lightly stony, serious and firm finale." 2031+

ALOXE-CORTON  
1<sup>ER</sup> CRU « Les Chaillots »

"Ripe aromas are comprised mostly of black cherry scents that are trimmed in hints of forest floor and the *savage*. This has an unusually refined mid-palate as the medium-bodied flavors possess a delicious, round and velvety texture that contrasts significantly with the rustic and moderately austere finale." 2027+
