### COLLECTIBLE

"Enticing aromas of white flowers, lemon, pastry shop and toasted spices are followed by apple, mineral and spice flavors in this plump yet elegant white. Long and creamy on the finish, unleashing its payload gracefully. This should age beautifully, but decant now if you can't wait."

## PULIGNY-MONTRACHET "LES REFERTS" 1ER CRU

"There is a softness to this white in the beginning, showcasing floral, peach and pastry aromas. As this develops on the palate, the creamy texture endures, with a mineral element emerging on the finish. Should be terrific when it integrates fully."
