Vinification & Ageing

- FERMENTATION Traditional in open vats
- AGEING 10 to 12 months ageing in oak barrels, 35% new
- BARRELS Louis Latour cooperage, French oak, medium toasted

Description

In this area which is in the North of the appellation of Beaune and exposed to the East, you can find parts of the faces of old limestone quarries with various fine limestones. The clay-limestone soils of Perrières, which are shallow and poor due to the steep inclination, produce a powerful and structured red wine with a perfect ageing potential.

Wine tasting

- TASTING NOTE Intense in colour, this wine has a complex yet elegant nose of blackcurrant, liquorice and light oak. It is a rounded wine with elegant tannins and lots of freshness on the back-palate. This is a great example of Pinot Noir. (Tasted November 2011)
- CELLARING POTENTIAL 7-10 ans
- FOOD PAIRING Beef "Bourguignon" - duck breast - woodcock - Camembert - soft cheeses
- SERVING TEMPERATURE 15-17°
