Vinification & Ageing

- FERMENTATION Traditional in open vats
- AGEING 10 to 12 months ageing in oak barrels, 100% new
- BARRELS Louis Latour cooperage, french oak, medium toasted

Description

At the heart of a constellation of Grands Crus from Côte de Nuits is to be found Le Chambertin. The terroir of Chambertin is legendary for its exceptional richness due to a geological phenomenon called an alluvial fan. This deeply complex terroir is characterized by brown calcareous soils. It breeds a powerful and complex wine with a long ageing potential, combining the robustness of Pinot Noir and the taste of the "terroir". At the end of the 19th century the Latour family acquired 0.81 hectares in the Chambertin Grand Cru appellation, forming a beautiful parcel extending from the top to the bottom of the hillside, closer to that of Latricières rather than Clos de Bèze. We took the name of Chambertin "Cuvée Héritiers Latour", as the parcel has been passed down through the generations of Latour family descendants.

Wine tasting

- TASTING NOTE Like many of the 2003's this wine has an impressive deep hue and does not disappoint us either with its' bold bouquet of vanilla, spice, oak and wood spice aromas. In the mouth we are greeted with a rounded, fat and very powerful wine revealing flavours of raspberry, leather, vanilla and oak. This is a great wine which will certainly be even more exceptional in two years time. Tasted 20/01/05.
- CELLARING POTENTIAL 10-15 years
- FOOD PAIRING Venison stew - roasted female deer with pepper and mashed celery - Soumaintrain cheese
- SERVING TEMPERATURE 16-17°
