### *Vinification & Ageing*

- FERMENTATION Traditional in open-vat
- AGEING 10 to 12 months ageing in oak barrels, 50% new
- BARRELS Louis Latour cooperage, french oak, medium toasted

### *Description*

Located on the hill of the Corton Grand Crus at an altitude of 273 meters in an old stone quarry, the "Perrières" parcel of vines has a perfect south-easterly exposition. Our Cuverie Corton Grancey is embedded in this terroir. There are brown and red clay soils which produce a delicious and intense wine. The well-aged vines are managed in a traditional way by Domaine Louis Latour. Severe pruning allows a later harvest and ensures a good level of maturity and richness in the grapes.

### *Wine tasting*

- TASTING NOTE Our Corton Grand Cru « Perrières » 2016 shows a ruby red colour with garnet lights. Marrying both plum notes and hints of nutmeg and pepper, the nose reveals a great complexity. The mouth, ample and round, offers subtle aromas of cherry and licorice. Lovely freshness on the finish with notes of chlorophyll.
- CELLARING POTENTIAL 15-20 years
- FOOD PAIRING Beef "Bourguignon" - wild boar - mature cheeses.
- SERVING TEMPERATURE 16-17°
