Description

Situated just south of Volnay and Pommard in the Côte de Beaune, Meursault is the most extensive southerly white wine commune of the Côte-d'Or. Meursault "Goutte d'Or" is the first Premier Cru found when leaving the village in the direction of Puligny-Montrachet. The parcel of vines was given this name ('drop of gold') because of the quantity of flint in the soil. These flints have both the shape and colour of 'drops of gold'. Entirely like the drops of wine which this land produces! The wine itself is as one would expect it to be with a powerful nose and rich palate. The wine preferred by Thomas Jefferson.

Wine tasting

- TASTING NOTE With a beautiful pale yellow colour, our Meursault Premier Cru "Goutte d'Or" 2016 reveals a delicate nose of mainly roasted notes with a touch of fresh hazelnut and white peach. On the palate, this wine offers roundness with almond paste aromas. Lovely freshness on the finish.
- CELLARING POTENTIAL 5-7 years
- FOOD PAIRING Vol-au-Vent - rump of veal - freshwater pike - morels - cheese.
- SERVING TEMPERATURE 12-14°
