Description

The appellation of Montagny lies approximately 30 kilometres to the south of Beaune in the rolling folds and hills of the southern part of the Côte Chalonnaise. Montagny is a 100% white wine appellation originating solely from Chardonnay grapes and giving a fresh white wine that is an uncomplicated representation of its parent grape variety. The high quality of the vines is a direct consequence of their limestone bedrock and admirably oriented slopes. The vineyard of « La Grande Roche » is quite high up on the hillsides, catching plenty of sunshine which aids the great concentration of flavours in the grapes.
