### *Description*

Pommard is for many, the most familiar Burgundy appellation. The village itself lies approximately four kilometres south of Beaune, and the total appellation is fairly extensive, covering 300 hectares, flanking a narrow valley which leads back into the Côte d'Or hinterland. The wines of Pommard are quite different from those of the neighbouring villages. They tend to be deeper and more concentrated than Beaune or Volnay wines and have a sumptuous perfume and bite without being too tannic. This wine requires a number of years to reveal itself.

### *Wine tasting*

- TASTING NOTE Of a ruby colour, our Pommard 2019 reveals a rich and complex nose with notes of cherry, licorice, nutmeg, and undergrowth. Its round mouth with supple tannins presents a lot of finesse. This wine, today very flattering, will show all its potential in 4 to 5 years.
- CELLARING POTENTIAL 3-5 years
- FOOD PAIRING Duck confit - beef "Bourguignon" - mature cheeses.
- SERVING TEMPERATURE 14-15°
