- SOIL Clay and limestone
- AVERAGE YIELD 35 hl/ha
- HARVEST Hand picked and mechanical

Vinification & Ageing

- FERMENTATION Traditional in open vats
- AGEING 10 to 12 months ageing in stainless steel vats

Description

Valmoissine is located on the site of the ancient monastery of Valmoissine at 500 meters above sea-level. This guarantees sunshine during the summer months whilst remaining cool at night and limits the possibility of spring frosts. The vineyard's southern exposure gives the grapes perfect maturity at the same time as the Grands Crus of Corton. The yield is small in order to ensure perfect maturity and concentration of the grapes, the factors that create the best quality wines. This results in an elegant wine with remarkable finesse.

Wine tasting

- TASTING NOTE Intense purple red with ripe fruit aromas on the nose. The palate is very fruity and the tannins are present but they should mellow out over the next few months to become quite silky. Tasted November 2010.
- CELLARING POTENTIAL 3-5 years
- FOOD PAIRING Grilled red meat - cheese - red fruits
- SERVING TEMPERATURE 14-15°
