Description

Vosne-Romanée, famous the world over for its Grand Crus, also produces some Premier Crus capable of competing with the best. The iron-based soil just north of Nuits-Saint-Georges is absolutely ideal for the growing of Pinot Noir. The grapes reach their maximum maturity and it is by means of a traditional vinification that the lively perfumes and great fruit characters are released. This wine needs bottle ageing to fully realise its potential. The vineyard of "Les Petits Monts" is situated at the top of the hill, which explains its name.
